Importance: Normal

Please let me know if there is time for a call. It would really be good to do this before thanksgiving.

Dale and Priscilla,

Please let me know if there is a time in the near future we can catch up. Jill contacted the court on another matter (her divorce) and they told her there is an arrest warrant outstanding for her associated with this case. They said she can be taken to jail if she is pulled over for a traffic stop, etc.

We really need to figure out what is going on ASAP.

Dear Mr. Ruszkowski:

I am one Attorney Morgado's legal assistants. I believe he was trying to arrange a time to speak with you and he had proposed 10:00 a.m. this morning. Unfortunately, his flight was delayed, so he is still in the air and will not be on the ground by 10:00 a.m. Once he lands I will check with him and reach out to you with some additional availability. Thank you.
